

SAPS METAL DECK ANCHOR

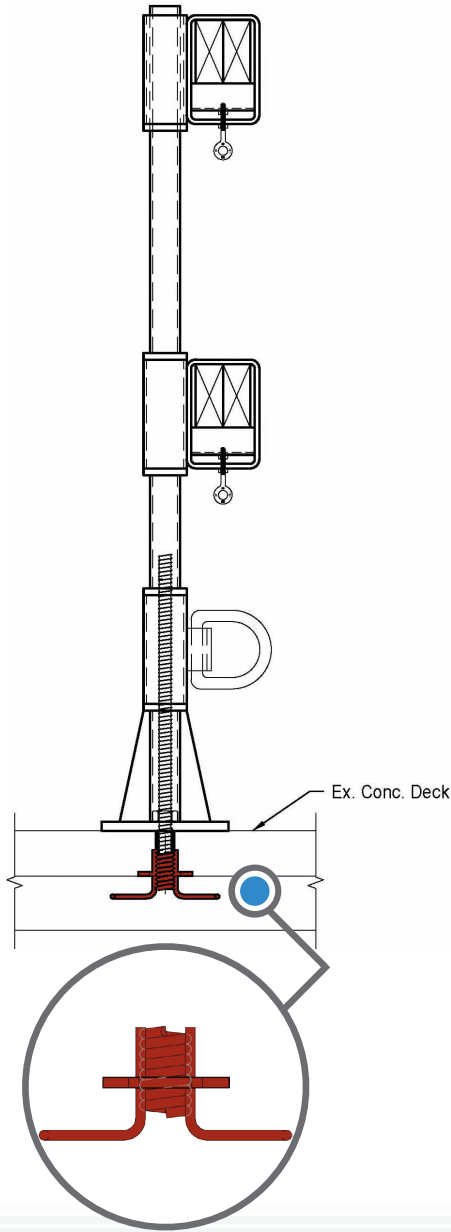

safetyanchorpost.com

PRODUCT DETAILS

SAPS Metal Deck Anchor fastens directly onto the Q Deck and then becomes embedded into the concrete slab. Available for 5" thin slab metal decks.

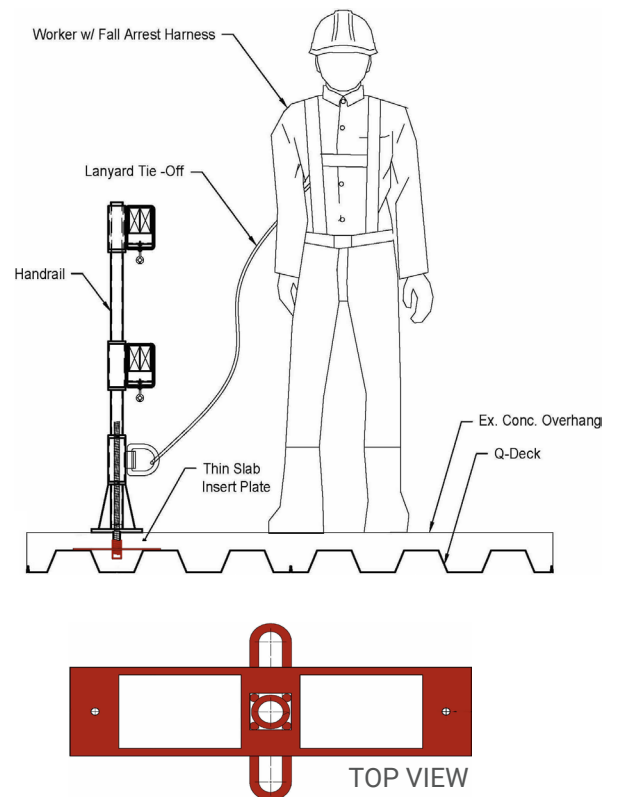

Engineered to be used with SAPS surface thread mount guardrail system and SAPS approved surface thread mount D-ring. Simple installation requires only two 1" #14 TEK screws onto a minimum 20 gauge substrate.

Invert anchor and use along with a swivel d-ring on the ceiling below.

FEATURES

- 5000 lbs. tie-off anchor into concrete slab
- Single point tie-off
- Plastic setting bolt with whisker antenna
- Installs with TEK Screws
